Government of Mysore

Sir,

In forwarding herewith a petition received from the residents of the Kolar Town praying for the repair of the Gajagondla, a pond attached to the Someswara Swami Temple, Kolar, I have the honor to state that the pond is a large, useful and well built one attached to the Someswara Swami Temple. The parapet wall of the pond and the stone slabs of the steps have given way in many places, and are in urgent need of repair. The pond is largely used by the people in the Kolar Fort, and its repair is therefore

also

also necessary for the use of the townspeople. The Municipality is prepared to pay half the cost of the repair, if the other half is paid from Muzrai Funds. The repair is estimated to cost Rs 300/- as per enclosed estimate. I therefore request you to be so good as to obtain the sanction of Government for payment of a moiety of the cost of the work from the Muzrai Funds.

It is learnt that there is no money at the credit of the temple. The charge will therefore have to be met from the State Grant.

I have the honor to be,
Sir,
your most obedient Servant
